Ontario Speed Skating Oval's
Honourary Capital Campaign Chairperson,
Catriona Le May Doan

Ontario Speed Skating Oval

“Canada has always been represented by the most promising speed skaters in the world..”

Catriona Le May Doan

The Ontario Speed Skating Oval is proud and honoured to present two-time Olympic speed skating champion Catriona Le May Doan as its Honorary Capital Campaign Chairperson.

In pledging her support to the project, Catriona will assist in raising the additional funds necessary to see the project move onto its construction phase.

Catriona believes the Ontario Speed Skating Oval is a perfect compliment to the facilities in Calgary and Ste-Foy, Quebec. She sees the benefit of this new world-class facility is that it allows promising athletes in Ontario the opportunity to train while staying close to home.

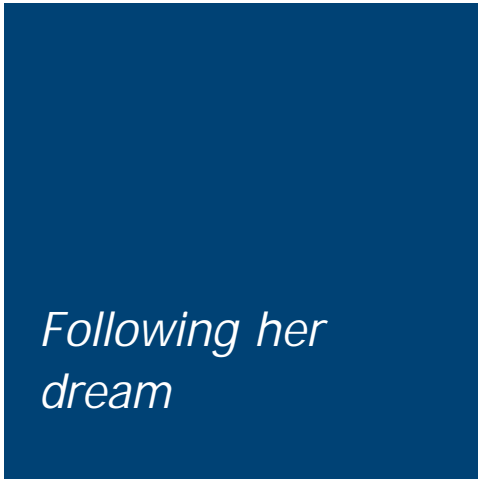

Catriona is enthusiastic about the Oval project. “Canada has always been

represented by the most promising speed skaters in the world, and the sport is only gaining popularity. Having a new outdoor, temperature controlled Oval in Ontario will undoubtedly create a new generation of champions, not to mention a place where families and amateurs can develop a love for speed skating.

I’m very proud to be involved from its inception.”

Known as the fastest woman on ice, Catriona won two Gold Medals and one Bronze Medal in long track speed skating at the Olympics in Salt Lake City and Nagano. She is a five-time World Champion and has broken several world records in her sport. She is a member of the Vancouver 2010 Olympic Organizing Committee Board and a spokesperson for Right to Play.

Following her dream
